clean | disinfect | deodorize

CLEAR IMAGE

Glass Cleaner

This non-ammoniated, non-alcohol glass cleaner is superior to all others due to its longer-lasting vertical hold. It puts a new gleam on mirrors, windows and glass doors. Use to clean windshields, showcases, glass TV screens and computer monitors, and other glass surfaces. SprayAnyWay™ valve sprays in any direction – even upside down!

Directions

SHAKE WELL BEFORE USING

Hold can about 10 inches away from surface to be cleaned. Spray lightly. Wipe clean, then polish with a clean, dry cloth. Shake occasionally during use. Do not spray directly on TV screens, monitors, etc. Spray cleaner onto a clean cloth and use that to wipe surface. For plasma or LCD screens, consult manufacturer's instructions.

Warning Statements

WARNING

HARMFUL IF INHALED. Causes serious eye irritation.

Prevention: Avoid breathing fumes, mist, vapors or spray. Avoid contact with eyes. Wear eye protection.

Response: IF EXPOSED OR CONCERNED: Get medical advice/attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice or attention. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell.

Storage: Prevent this container from coming in contact with water for a prolonged period of time. Always keep container in a cool, dry place. Do not store at temperatures above 122°F (50°C).

Disposal: Recycle empty can where available or discard in the trash. Pressurized container: Do not pierce or burn, even after use.

SEE SAFETY DATA SHEET (SDS) FOR ADDITIONAL INFORMATION ON THIS PRODUCT.

Physical Properties
