FOAMING HAND SOAP

Apple Blossom

.....

Gentle Clean Foaming Hand Soap is a blend of mild, high foaming surfactants, and skin conditioning agents formulated to provide a pleasant yet effective hand cleaning product. It is designed for use in Schools, hospitals, dentist offices, restaurants, nursing homes, or any large use facility. This product also contains an emollient to moisturize skin as it cleans, even with regular and repeated use.

Directions

Dispenser Directions: Gentle Clean Foaming Hand Soap is intended to be used through a bulk fill foaming hand soap dispenser. Before filling the dispenser, always be sure to clean out and rinse the dispenser container. Once the container is clean simply pour the foaming hand soap into the container until full. Be sure to replace the container cover securely and then close the dispenser. Always prime the dispenser so that soap is ready to be dispensed the first time it is pushed.

Hand Washing Directions: Wet hands under warm tap water, apply Gentle Clean Foaming Hand Soap to hands and wash hands thoroughly. Use paper towels to dry hands. Paper towels should also be used to turn off water faucets and open the bathroom door while exiting restroom to reduce the risk of cross contamination. Gentle Clean Foaming Hand Soap contains skin conditioning agents to keep hands soft even with repeated use.

Caution Statements

This is a non-hazardous product. It is intended for Industrial and institutional use. If used as directed, it exhibits no unusual safety precautions. Always read the Material Safety Data Sheet for additional precautions before using this product.

Do not ingest. If this should occur, drink volumes of water and seek medical attention. Avoid storage of product in freezing temperatures. Keep container sealed when not in use to prevent contamination.

KEEP OUT OF REACH OF CHILDREN
